

Juanita Neighborhoods Association, Board Meeting

April 4, 2016

7pm - 9pm

Present: Doug Rough, Ken Albinger, Larissa Chuprina, Tiffany Martin

Larissa presented Appreciation Award to Doug Rough.

Reviewed Welcome to Juanita Event outstanding money items. The event costs were within the estimated budget.

The City of Kirkland has numbered the Safety Program Requests and has funding for the first 14 requests on the list. The North Kirkland Community Center path project was accepted for funding. The NE 110th ST and 100th AVE NE Gravel Sidewalks project is below the funding cut-off point, which means it is approved but unfunded. Ken provided a review of the last 3 years of Safety Project Requests. The Juanita Neighborhood Association will continue to pursue projects for sidewalks on NE 110th ST and 100th AVE NE.

Dennis Sandstrom is looking for community outreach and JNA contact for 100th AVE NE project. Tiffany Martin will reach out to him.

We need 'H' Brackets for the JNA Neighborhood Meeting signs.

Safe Routes to Schools project ideas are being evaluated by the City of Kirkland.

Need to post proposed by-laws updates.

Need to vote at May General Meeting for Board Members.

We would like to have a speaker at the next general meeting to discuss the status of the Cross Kirkland Corridor transit projects.

Juanita Beach Bath House project is on hold.

Cross Kirkland Corridor Clean-Up date will be Saturday, May 14, at 9am. Doug will try to coordinate with Rotary Club.

Need new location for Board Meetings.

Room has been reserved for the General Meetings at the Justice Center for the rest of 2016.

Ken will chair the JNA Summer Picnic at Juanita Beach Park. Need volunteers, solicitors, and vendors for the event. The dog theme and beauty salon theme was popular in the past and will likely be the theme again this year. We will try to add more hours of music this summer.

New Business:

Larissa - Will inquire about Diversity Outreach with the City of Kirkland to see if the City has ongoing efforts similar to other neighboring cities.

Larissa - Provided Leadership Eastside review.

Doug - A local person/business wants to donate plants. Maybe JNA could use the plants for Windsor Vista Park?

Tiffany - Presented Juanita Elementary project ideas for landscaping and library lighting. Larissa may have a contact to help with Juanita Elementary landscaping.

Ken - Propose Juanita High School path trailhead project.

Ken - Proposed creating flyer to find a board member to represent Juanita Village.
