

## **Juanita Neighborhood Association**

### ***Board Member Minutes***

Tuesday Sept. 4, 2018, 7 pm

**Location: 10912 NE 133<sup>rd</sup>, Kirkland, WA**

Attendees: Doug Rough, Leo Gilbert, Brian Magee, Antonio Skokos, Ken Albinger, Jennifer Salem

Discussion of Welcome Event scheduled for September 15, 2018 at Edith Moulton Park. Went over general plans for the day. Agreed on paying for another band or two at \$100 each. Leo volunteered to put a post on Craigslist to fill the extra slots.

Leo Gilbert presented an idea for paving Cross Kirkland Corridor. Vote was unanimous for him to present his proposal at the November general meeting. Also discussed working with Bellevue to meet up with their portion of the trail. John Pascal was mentioned as the contact for

Bellevue. Funding for the project would probably need a proposal to have the people of Kirkland pay for it by a levy.

General discussion of Windsor Vista Park plans. Discussed what could be done without a master plan and what some of the restrictions are for putting in picnic tables, park benches and playground equipment.

City of Kirkland two-year grant status discussed. As of May, \$2640 of \$6000 has been spent. \$500 has been authorized for ham radios. \$1500 to \$1800 more will be spent for the picnic. This leaves about \$1200. \$300 was agreed on for a pop-up canopy to be used for the picnic. We will discuss use of the remaining funds at the October meeting.

Safety Request Status – Brian will take top two proposals for this in late November or early December.

Next meeting is October 1, 2018.
