

JNA Board Meeting Minutes

November 7, 2016

Present: Doug Rough, Ken Albinger, Jeremy Richtmyre, & Tiffany Martin

Treasury Report

- EnviroSigns reimbursement for Juanita Bay Park bridge signs
- Need to order new meeting signs

Student Award – Juanita High School named Michael Gengo, the Eagle Scout responsible for the 6 signs at Edith Moulton Park as well as additional civic involvement. We are handing out the Award next Monday at the General Meeting.

Will vote in December if want to continue Student Award in January.

Reviewed informational and historical signs in Juanita Bay Park. They are very popular in the community. Discussed funding of additional Audubon signs on the Juanita Bay Park Bridge.

Safety and Grant Request Status – Reviewed Proposed 2017-2018 Neighborhood Matching Grant Application Project List and Budget that will be presented at the General Meeting next week.

Holiday Lights tentative date to put up in Juanita Village is Saturday, November 19 at 10am in front of Salix.

Safety Requests – Submitted 2 safety projects to city (100th AVE NE crosswalks & 93rd AVE walkway). If the 100th AVE NE crosswalks are approved, then they could possibly be added to the 100th AVE NE repaving / slurry seal project. It could be possible to submit a third safety project if the 100th AVE NE crosswalks are moved to a different project.

Windsor Vista Park – Flyers are ready for canvassing effort near the park. Project is being pushed out to the Spring 2017. If we order the plants for the project in advance, then we can get a discount. The JNA has an approved list of native plants that we can order. Need to submit plan for permits and set Spring 2017 weekend dates for work projects.

The JNA will submit a letter to the City Council and Parks Board asking for more attention to park space in North Juanita.

Welcome to Juanita – ordering marketing cards, working on vendors and participants

Web updates, Facebook, and e-mails – positive feedback on social media and website, some good words from the community about the Historical and Information signs in Juanita Bay Park

The last 100th AVE NE Advisory Group meeting is December 8, 2016.

Next Board meeting is Monday, December 5, 2016.
